henry james criticized the impressionism which was revolutionizing french painting and french fiction and satirized the british aesthetic movement which championed impressionist criticism yet time and again he used the word impression to represent the most intense moments of consciousness of his characters as well as the work of the literary artist henry james and the art of impressions argues that the literary art of the impression as james practised it places his work within the wider cultural history of impressionism henry james and the art of impressions offers an unprecedentedly detailed cultural and intellectual history of the impression it draws on philosophy psychology literature critical theory intellectual influences and aesthetics to study james s early art criticism literary criticism travel writing prefaces and the three great novels of his major phase the ambassadors the wings of the dove and the golden bowl it argues that the coherent philosophical meanings of the jamesian impression emerge when they are comprehended as a family of related ideas about perception imagination and aesthetics bound together by james s attempt to reconcile the novel s value as a mimetic form and its value as a transformative creative activity henry james and the art of impressions traces the development of the impression across a range of disciplines to show how james s use of the word owes them cultural and intellectual debt it offers a more philosophical account of james to complement the more historicist work of recent decades

born in 1914 in beatrice nebraska and presumed dead in 1955 when he apparently leapt from the golden gate bridge weldon kees has become one of the better known unknown

american poets of the twentieth century his fiction and poetry largely kept alive by other poets but kees was also that rare artist who excelled in many genres and media a skillful painter filmmaker jazz musician and composer he was a gifted critic as well and his criticism bears the marks of his own deep and broad engagement with the arts øweldon kees and the arts at midcentury is the first book to reflect the full range and reach of kees s artistic activities bringing together writers from various disciplines art historians poets literary critics curators and cultural scholars including dore ashton james reidel dana gioia and stephen c foster this volume offers a wide variety of perspectives through which to evaluate the meaning and significance of kees s achievement although the essays themselves partake of the diversity of kees s impact on the culture all agree on one fundamental point any history of postwar american culture that neglects kees s multifaceted contribution is ultimately incomplete

aimed at an international readership this book offers a representative collection of essays by the german philosopher georg picht 1913 1982 who was a specialist in greek philosophy practical philosophy and philosophy of religion picht s themes address different disciplines such as ancient philosophy systematic philosophy and political analysis and often contain critical statements on significant developments from the european enlightenment to the cold war era other essays offer a distinctive interdisciplinary approach characteristic of the author these contributions are relevant to both philosophy and science as they discuss for instance philosophical definitions of space and time or the relationship between history and evolution another part of the book includes texts on art that present picht s authentic definition of art and his theory of the interdependence of art and politics for the first time key texts of the german philosopher and political thinker georg picht are presented to a global readership in english like nietzsche s philosophy picht s work is grounded in his outstanding professionalism in the different fields of classics embracing not only texts and theories of the great thinkers from the pre socratic to the post aristotelian and stoic philosophies but also the main currents of ancient literature picht s importance as a political author and public adviser is exceptional and may explain why his lifelong friend carl friedrich von weizsäcker another pioneer presented in this series called him his teacher
